I ACKNOWLEDGE AND AGREE:

On this date _____ , all products and services identified in or related to the Project Statement of Work (SOW) have been delivered to and completed on my property at the location identified below.

1. I am the customer or an authorized representative of the property owner(s), and I am authorized to acknowledge completion of this project.
2. This certificate does not request funding, assign loan proceeds, or authorize payment by a lender.
3. The work covered by this certificate is the approved Project Scope of Work and any separately approved revisions.
4. GECC records required permits and inspection status in the project record. Signing this certificate does not replace a required permit or inspection.
5. Applicable equipment manufacturer warranties and the GECC labor warranty remain governed by the Project Scope of Work Agreement and supplied warranty documents. Signing does not cancel those warranties.
6. This certificate acknowledges work completion. It is not proof of payment, a receipt, or a waiver of rights. Payment remains governed by the approved contract and invoice.
7. The GECC representative confirms any recorded exceptions to the completed work have been referred for resolution to GECC Management.
8. The contract terms and applicable Maryland laws are applicable. This certificate does not alter the agreed price, payment timing, or approved scope.
